## Education

### KMD Institute, NCC Education, University of Greenwich

LEVEL 4 DIPLOMA IN COMPUTING IN INFORMATION TECHNOLOGY

GPA: Global Highest Achiever (All Distinctions)

Yangon, Myanmar

June 2015 – July 2016

### KMD Institute, NCC Education, University of Greenwich

BACHELOR OF SCIENCE IN COMPUTING IN INFORMATION TECHNOLOGY

Yangon, Myanmar

August 2021 – End of 2023

## Experience

### MyanCare Telemedicine Co Ltd.

JUNIOR SOFTWARE ENGINEER

Yangon, Myanmar

Feb 2022 – Currently Working

- participated in developing and maintaining server-side APIs for MyanCare using Nodejs, MongoDB and other related technologies. I also had experience using GitLab CI/CD pipelines, testing using Jest/Mocha, appointment and job scheduling, Twilio chat and conversation services, dependency management and deployment using AWS services. For frontend, I helped develop and maintain MyanCare's admin panel and dashboard using Angular and related technologies.

### MyanCare Telemedicine Co Ltd.

SOFTWARE ENGINEER INTERN

Yangon, Myanmar

Dec 2021 – Feb 2022

### Programming Warriors (Free Online Class)
